SPECIAL TOWN BOARD MEETING
INFORMATIONAL MEETING
MONDAY, FEBRUARY 27, 2023
5:30 p.m.
FREEDOM TOWN HALL
W2004 COUNTY RD S**

Informational Meeting relating to the current appeals of the Site Plan Application denials for the Jared Van Lanen property.

Supervisor Brandon Conrad called the meeting to order at 5:32 P.M.

Attorney Steven Frassetto reported on the appeals that were filed by Van Lanen regarding the mini-storage buildings on the southeast corner of Schmidt Road and County Road E. Frassetto told the Town Board what they did was illegal to deny the storage buildings and therefore felt it was unlikely the judge would rule in the Town's favor. At that point Van Lanen would be allowed to build either plan of his choosing and could decide to use the first plan that did not include the enhancements.

Supervisor Brandon Conrad adjourned the Special Town Board Meeting at 5:59 P.M.
