The Freedom Town Board and Engineering Staff have determined that there needs to be roadway drainage improvements to certain properties along Bonnie Street. More specifically, certain ditch areas along the road do not drain adequately and there are driveway culverts that are both undersized and in some cases flow the opposite direction. The Town Board will hold an informational meeting on Wednesday, September 27th at 5:30 PM at the Freedom Town Hall, W2004, County Rd "S", to explain the project and the estimated costs involved for the improvements. A portion of the project costs may be assessable to benefiting property owners.

Posted the 6TH day of September, 2017 at the Town Hall at 4:00 p.m. Also posted on 6th day of September, 2017 at Freedom Mini Mart, Freedom Foods, and Dairyland Depot.
