FROM: Dean Steingraber, P.E. Highway Commissioner

DATE: **Revised September 26, 2017**

SUBJECT: County E/EE (Ballard Rd) Paving Project
County JJ to County O (Wege Rd)
City of Appleton, Town of Grand Chute, Town of Center, Town of Freedom

The Outagamie County Highway Department crews began work as scheduled with excellent construction weather. The County EE section is progressing well. Unfortunately the County E section ran into some traffic congestion during our milling and shoulder widening operations. Traffic control plans were changed to improve safety of the traveling public and construction workers.

County E (Ballard Road) from County JJ to County EE/County E Intersection

Will be closed immediately and reopened when this section of highway is resurfaced, striped and shouldered. The detour will be County JJ to County N. Local traffic including buses, mail deliveries, trash/recycling collection will have access. We expect that work will be completed by October 3rd.

County EE from County E/County EE Intersection to County O

Will remain closed until the end of October. The detour will remain on County JJ to WIS 47 to County S. Local traffic including buses, mail deliveries, trash/recycling collection will have access. We expect that work will be completed by the end of October.

Please keep in mind that all highway work is contingent upon weather and is subject to change. Check our Facebook Page for updates: "Outagamie County Highway Department".

If you have any questions regarding this matter, please do not hesitate to contact me at 920/832-5673.
