Online Building Permit System

Effective December 1, 2017, the Town of Freedom will only be accepting permits for one and two family homes after the builder or owner has submitted the State online permit application.

The online Building permit system was developed by the DSPS to allow municipalities to gain compliance with Act 211.

The owner, builder or agents shall complete the application form and the online Building Permit System will route it to the enforcing Jurisdiction.

You may access the online permit system at:

<https://verification.dsps.wi.gov/buildingpermit/application/Directions.aspx>

After completion of the online form, you may submit the plans and other required information to me as has been done in the past.

Paul Hermes
Building Inspector
