Discussed the Notice of Hearing and letter that Freedom Sanitary District users received from the Town of Freedom. On Monday, January 14th Freedom Sanitary District users received a Notice of Hearing to create a Town Utility District. The Freedom Sanitary District Commissioners had discussion on how they were not notified or given any chance for discussion of any kind from the Town of Freedom. Chris Evers went up to the Town Hall on Tuesday morning and asked for the agenda's that represented the meeting where this decision was made. Steve Lowney informed the Town of Freedom Staff to not give any information to Chris. Lowney stated that they were aware of the mistake on the letter and they were changing documents. The Sanitary District will be preparing a postcard to send out to the users letting them know the unawareness of this hearing to the Sanitary District Commissioners and employees. The postcard will include that the District objects to this change. Further discussion was had with property owners regarding this matter. VanLieshout would be doing some follow-up.
