Meeting called to order by Supervisor Brandon Conrad at 5:00 P.M.

Supervisor Brandon Conrad stated the purpose of the meeting was to establish the hourly wage to be paid an elected town officer for serving as a town employee.

Supervisor Brandon Conrad explained that recently our two public works employees have resigned. Presently we have one new employee who needs training. Previously the Town Board had discussed having one of our town board members with experience in the public works department help train the new employees. After thinking about the situation more Supervisor Conrad reached out to Cedar Corporation for their guidance. Cedar Corporation will give Supervisor Conrad recommendations regarding a third party training our employees.

A lengthy discussion was held with the electors about how to handle the employee training and what would be in the town's best interest.

Motion by John Urban with a second by Dan Reinke to table establishing an hourly wage to be paid an elected town officer for serving as a town employee. 2 - Yea 8 - Nay Motion failed.

Attorney Steve Frassetto pointed out that the purpose of the meeting was not about how or who should train employees, but only setting a wage if any town elected official would also serve as a town employee.

Motion by David Banks with second by Betty Konkle to establish the hourly wage to be paid an elected town officer for serving as a town employee at \$20.00. 10 - Yea 0 - Nay Motion carried.
