Town of Freedom Parks Survey

Thank you for your feedback!

The Town of Freedom is in the process of the updating the Town's Open Space and Recreation Plan, and this is your opportunity to voice your opinion on key issues and opportunities to enhance use and enjoyment of the Town's parks, trails, and natural areas for all users.

The purpose of the Plan is to assess the needs of the current Town park system and provide direction on the future development of new parks and enhancement of existing parks. With this Plan, the town will also be eligible to submit and receive grants from the State of Wisconsin and federal government for the acquisition, preservation, and development of parklands, trails, and natural open spaces.
