The Outagamie County Highway Department will be milling, reclaiming and resurfacing 2 miles of County Trunk Highway (CTH) S between CTH C and State Highway 55 in the Town of Freedom.

The roadway will be closed to through traffic. The detour will be CTH C and CTH E. Access will be maintained to all homes and businesses. As part of the project, the Duck Creek Bridge just west of Murphy Road will be completely closed for about 1 week for bridge repairs.

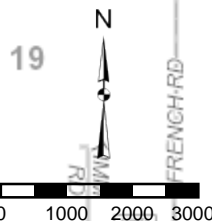

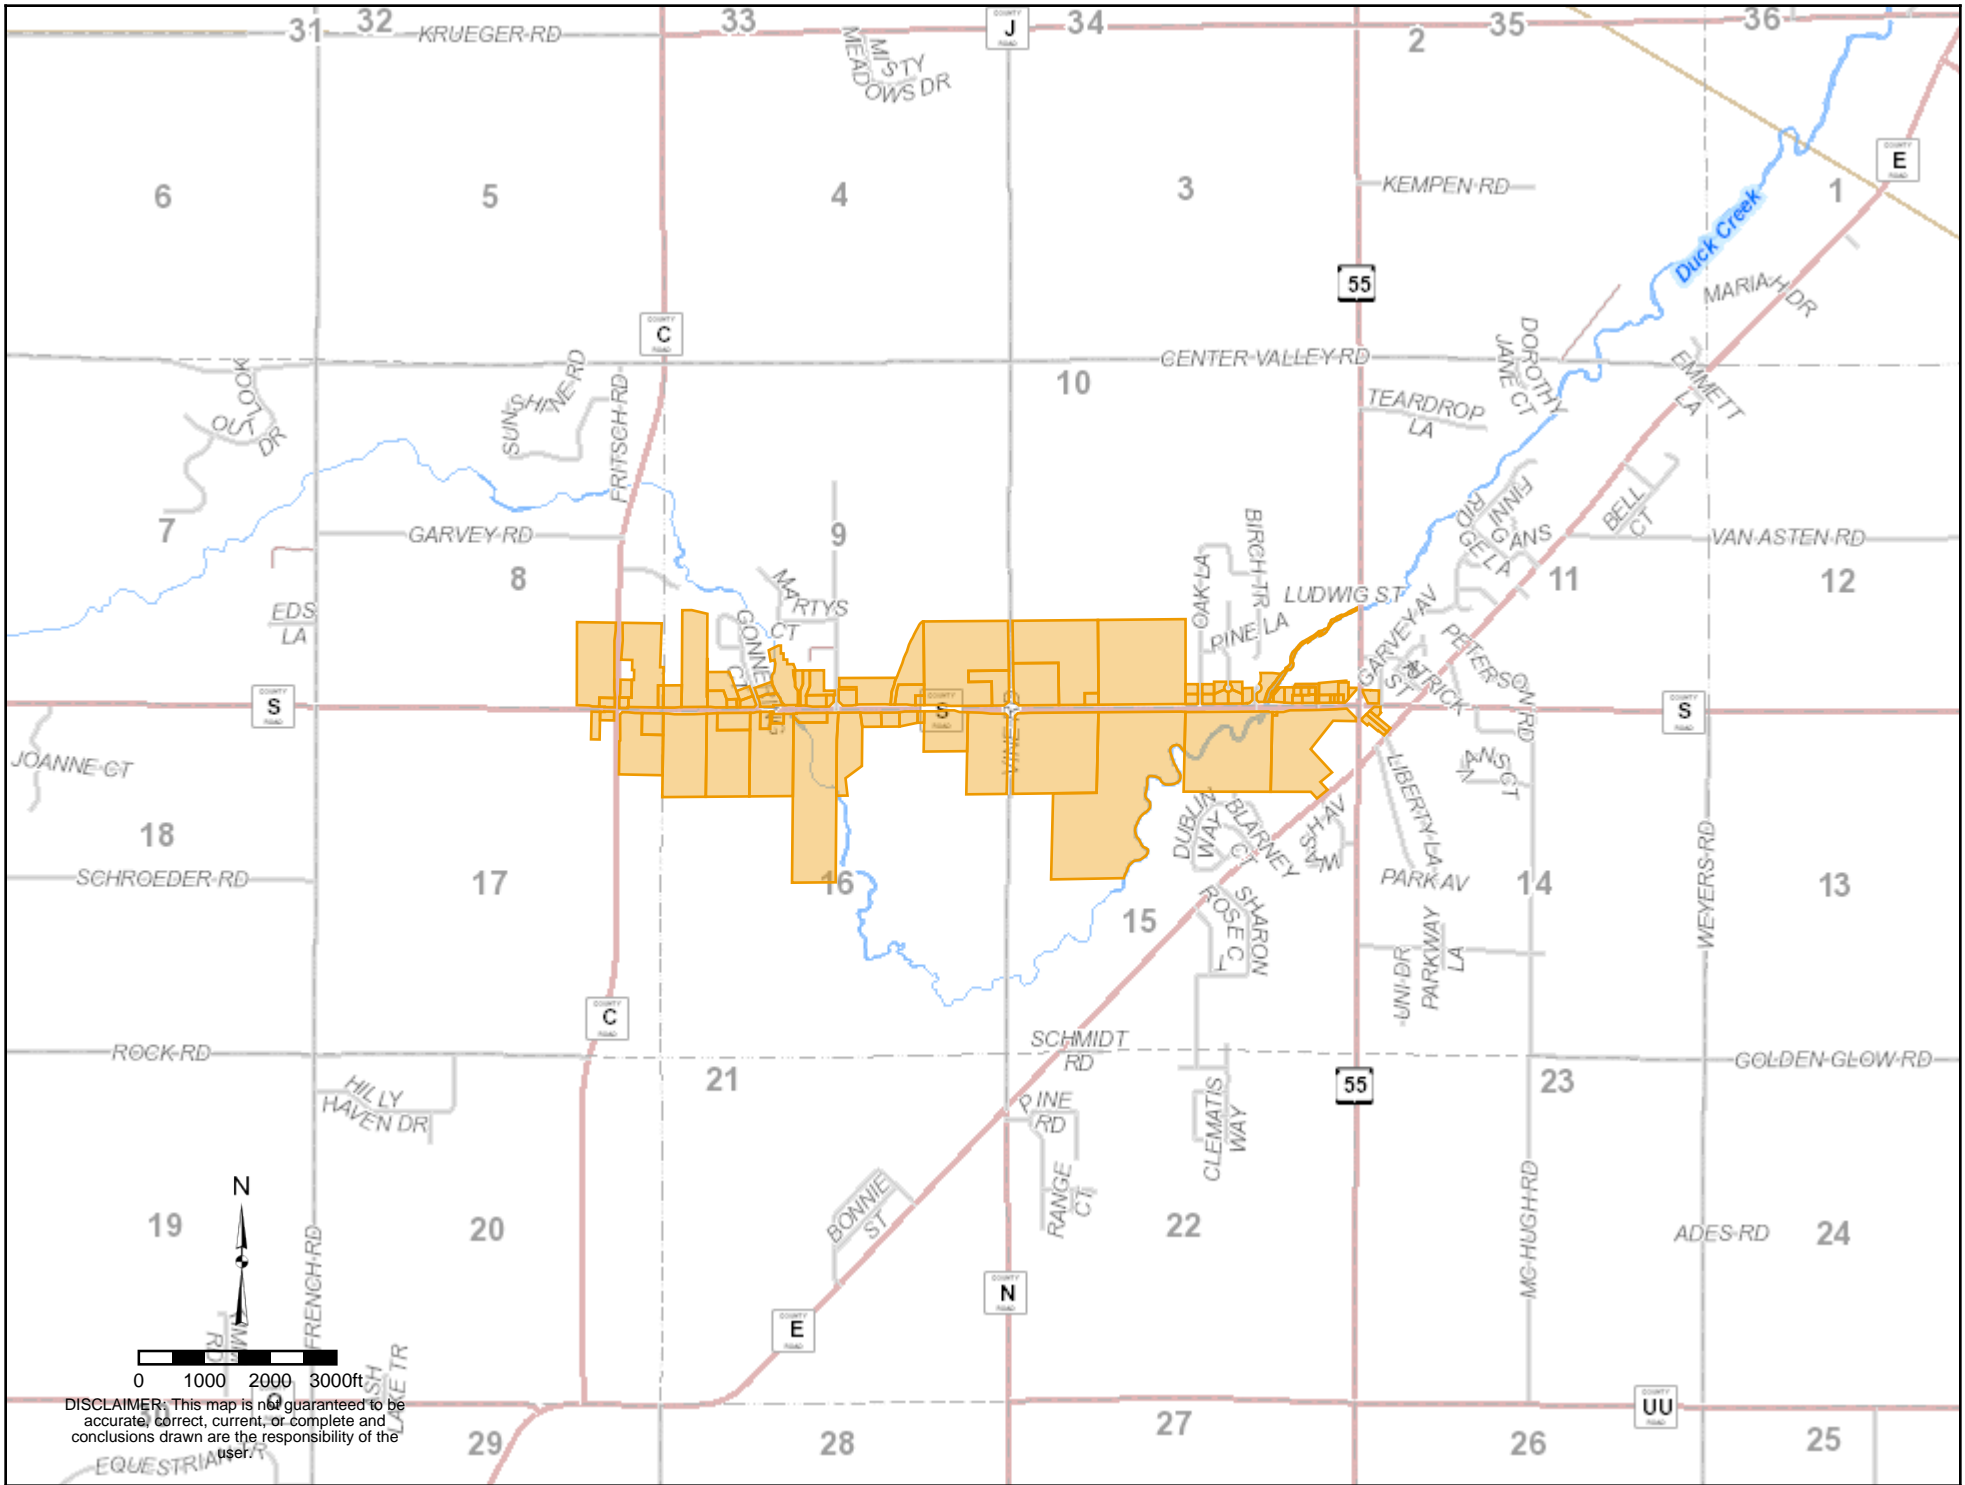

Turn lane improvements are also planned at the Vine Road intersection. Daytime restrictions should be expected for Vine Road cross traffic.

The road closure is expected to start as early as May 31, 2017, and last through the end of June. Please keep in mind that all highway work is contingent upon weather and is subject to change.
