

PUBLIC INFORMATIONAL MEETING

GEENEN LANE RESIDENTS/PROPERTY OWNERS

AUGUST 26, 2009

6:00 P.M.

TOWN HALL

Town Board met with residents/property owners of Geenen Lane to discuss plans for Geenen Lane.

Engineer Steve Brueggeman explained the project as planned. Total cost of the project would be approx. \$363,000. Town's share of the project would be \$137,000. Property owners (11) share would be \$225,000 or approx. \$20,512.00 per parcel. The project has not been bid yet. Town would prefer that the property owners discuss and agree on where to place the road. If property owners do not agree the road will go down the center of the easement/right of way.

Property owners present & signed in: Dave Kleuskens, Jim & Fran Kieffer, Jean Janacek, Leo Fuerst, Seth Ponschock, Tim Vanderloop and Jean Mandel.

Respectfully submitted, Barbara Seegers, Clerk/Treasurer
